There's no way to sugarcoat it: we're in for ugly times. The right is on the rise and Donald Trump presents an immediate threat to our very survival. If there's a silver lining, it's that complacency isn't an option (as it might have been for many people under the slow death Clinton offered). As individuals, we'll be with you in the streets. As a publisher, we'll double our efforts to print and distribute books and other materials that help destroy the system that seeks to destroy us. We've been doing it for almost twenty-seven years now. Thanks for reading. Thanks for fighting.

Join the FRIENDS OF AK PRESS.

In a capitalist economy, it's not exactly easy for small publishers to thrive. Sure, if they emulate the worst features of the publishing industry—internal hierarchy, exploited labor, and ruthless profiteering—they can get by. But what if they refuse? What if they won't play by those rules? What if they side with the struggle to destroy capitalism and the state?

Well, then they have to depend on the support of other people in the struggle, people who fill the streets. That support comes in many forms, from the people who offer us couches and spare rooms when we're on the road to folks who volunteer their time in our warehouse. But one of the most consistent and dependable ways we've weathered capitalism's storms is through our subscription program: The Friends of AK Press.

Friends help guarantee that we can afford to print the books we hope will become tools and weapons in the battles ahead. You chip in a fixed amount each month and you get:

- ★ A copy of everything we publish while you are a Friend
- ★ 50% off everything we have ever published (AK Gear as well)
- ★ 20% off everything we distribute

Our wishlist of projects far outstrips our ability to pay for them. The more Friends we have, the more books will see the light of day. So, please spread the word. And if you have anything to spare, please take a look at the membership options and choose the one that works for you! You can sign up to receive books and/or e-books, or to send books to someone in prison.

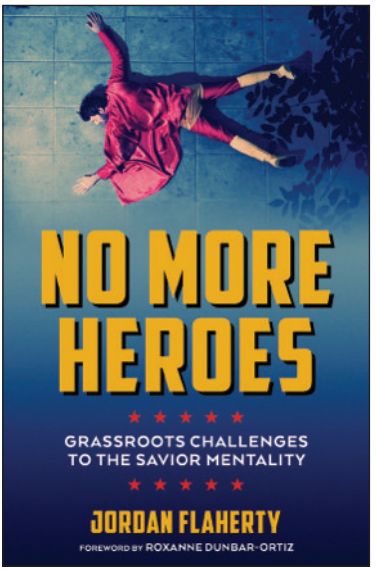
No More Heroes

Grassroots Challenges to the Savior Mentality

JORDAN FLAHERTY;
foreword by Roxanne Dunbar-Ortiz

9781849352666 | 248 pp. | $15.00
e-book also available



"In this marvelous, enormously instructive book, Jordan Flaherty explores how we too often allow the struggle for change to be undermined by would-be saviors—and how today's grassroots social movements…are charting a far more powerful path forward." —Naomi Klein

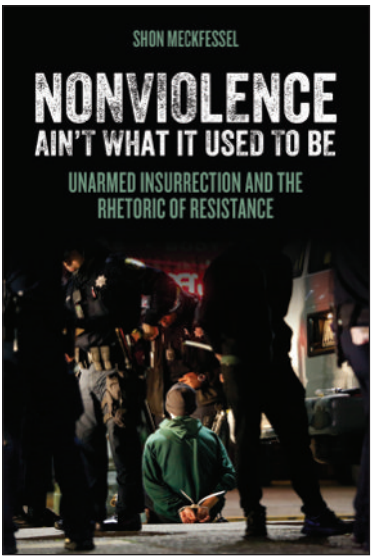
Why do so many people with privilege make things worse when they try to help? It's called the savior mentality, and Jordan Flaherty finds it in FBI informants, anti-sex-work crusaders, Teach For America corps members, and out-of-touch journalists. *No More Heroes* celebrates challenges to these saviors and highlights movements focused on real, systemic change from the Arab Spring to Black Lives Matter.

Nonviolence Ain't What It Used to Be

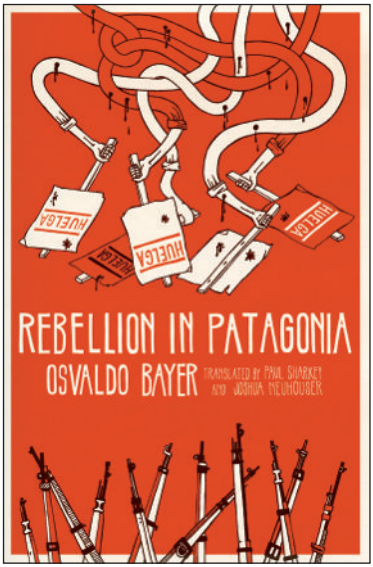
Unarmed Insurrection and the Rhetoric of Resistance

SHON MECKFESSEL

9781849352291 | 232 pp. | $18.00
e-book also available



US social movements face many challenges. One is the question of nonviolence. Civil disobedience and symbolic protest have characterized many struggles in the US since the Civil Rights era, but conditions have changed. Corporate media has consolidated, the police have militarized, dissent has been co-opted and institutionalized, but the strategic tools radicals employ haven't kept pace. Our narratives, borrowed from movements of the past, are falling short. *Nonviolence Ain't What It Used to Be* maps emerging, more militant approaches that are developing to fill the gap. It offers new angles on a seemingly intractable debate, carving out a middle-ground between camps to chart an effective path forward.



Rebellion in Patagonia

OSVALDO BAYER; translated by Paul Sharkey & Joshua Neuhouser

CO-PUBLISHED WITH THE KATE SHARPLEY LIBRARY

9781849352215 | 506 PP. | $21.95

E-BOOK ALSO AVAILABLE

At the end of *Rebellion in Patagonia*, Osvaldo Bayer writes: "Time always tears down the curtain that tries to hide the truth. A crime can never be covered up forever." He demonstrates that principle in this moving and nuanced study of strikes led by the anarcho-syndicalist labor union, the FORA, against the landowners and industrialists of Argentina's Patagonia region in 1921–22. The tale ends tragically, but Bayer's detailed descriptions and first-person testimonies capture the beauty and heroism of the struggle. Banned and publicly burned in the 1970s, this is the book's first English translation—with a new introduction by Scott Nicholas Nappalos and Joshua Neuhouser.

Home from the Dark Side of Utopia

A Journey Through American Revolutions

CLIFTON ROSS

9781849352505 | 378 PP. | $17.95

E-BOOK ALSO AVAILABLE

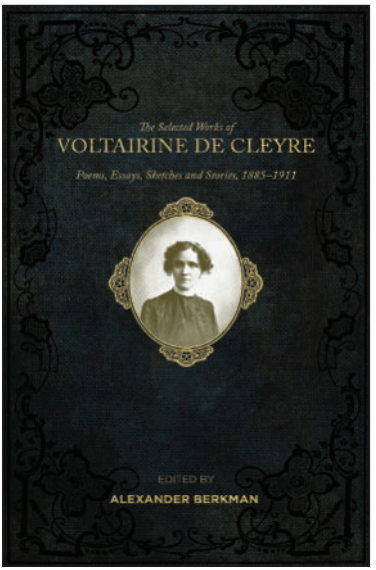
A riveting memoir that shares hard-earned political insights. Ross's journey begins on Air Force bases and in small towns in the American South. We follow his political and spiritual development from an Anabaptist peace community in the 1970s, through various forms of radical and countercultural politics, to the present-day failures of "revolutions" throughout Latin America, with a particular focus on the Bolivarian process in Venezuela. The book charts a path through good intentions, projects gone awry, and the shadow side of utopian dreams—ultimately locating hope in the social movements of ordinary people who resist the imposition of states and other actors that claim to represent them.

The Selected Works of Voltairine de Cleyre

Poems, Essays, Sketches and Stories, 1885–1911

VOLTAIRINE DE CLEYRE; edited by Alexander Berkman

9781849352567 | 472 pp. | $16.95



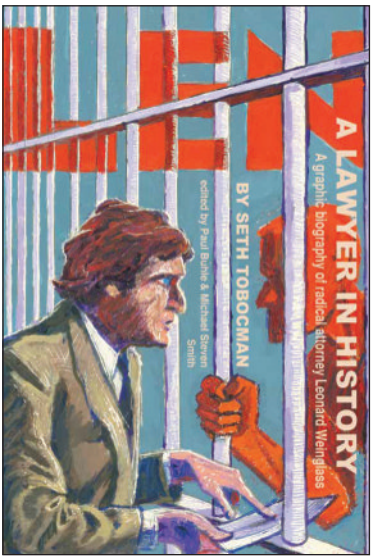
Voltairine de Cleyre was undeniably one of the most important anarchist thinkers in the US or anywhere else. Historian Paul Avrich called her "a greater literary talent than any other American anarchist." Admired by her contemporaries, including many political enemies, she was one of the foremost advocates of an inclusive "anarchism without adjectives," while at the same time advancing an uncompromising direct-action approach to political and economic struggle. After her premature death, Alexander Berkman edited a selection of her work. In this facsimile edition of that 1914 volume, de Cleyre's words ring just as true and clear today as they did a century ago.

Len, A Lawyer in History

A Graphic Biography of Radical Attorney Leonard Weinglass

SETH TOBOCMAN; edited by Paul Buhle & Michael Steven Smith

9781849352406 | 200 pp. | $19.00



For half a century, criminal defense lawyer Leonard Weinglass defended a who's who of the twentieth-century left in some of America's most spectacular trials. "The typical call I get is one that starts by saying, 'You're the fifth attorney we've called,'" he once said. "Then I get interested." Those calls came from the likes of the SDS, the Chicago Seven, Daniel Ellsberg, Abbie Hoffman, and Mumia Abu-Jamal, among many others. Weinglass was known for his humility, his common touch, his ability to work collectively, his kindness, and his attention to detail. This long-overdue (graphic) biography captures the life and inspiring legacy of an American iconoclast.

The Revolution Starts at Home

Confronting Intimate Violence
Within Activist Communities

Edited by CHING-IN CHEN, JAI DULANI, & LEAH LAKSHMI PIEPZNA-SAMARASINHA

9781849352628 | 325 pp. | $16.00

"For anyone who believes that the personal is deeply political in social justice circles, *The Revolution Starts at Home* is a must-read." —*Ms.* magazine

This watershed collection breaks the dangerous silence surrounding the "secret" of intimate violence within social justice circles. Just as importantly, it provides practical strategies for dealing with abuse and creating safety without relying on the coercive power of the state. It offers life-saving alternatives for survivors, while building a movement where no one is left behind.

Learning Good Consent

On Healthy Relationships and Survivor Support

Edited by CINDY CRABB

9781849352468 | 162 pp. | $13.95

E-BOOK ALSO AVAILABLE

Cindy Crabb provides a DIY tour of the promise and perils of sexual relationships in *Learning Good Consent*. Building ethical relationships is one of the most important things we can do, but sex, consent, abuse, and support can get complicated. This collection is an indispensable guide to both preventing sexual violence and helping its survivors to heal. From good communication practices to confronting rape culture, *Learning Good Consent* provides practical advice based on the experiences, good and bad, of dozens of contributors. Includes checklists, illustrations, resource guides, and more.

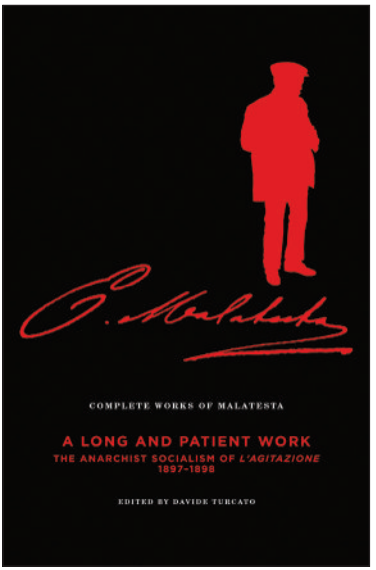
The Complete Works of Malatesta, Vol. III

A Long and Patient Work: The Anarchist Socialism of *L'Agitazione*, 1897–1898

ERRICO MALATESTA; edited by Davide Turcato

9781849352581 | 500 pp. | $24.95

E-BOOK ALSO AVAILABLE



The first in AK Press's ten-volume *Complete Works of Malatesta*, this book (volume three chronologically) focuses on the crucial years when Malatesta returned to Italy from his London exile to elaborate his ideas in the columns of *L'Agitazione*. Responding to what he saw as the unrealistic insurrectionism and isolation into which anarchism had fallen, Malatesta advocated "a long and patient work to prepare and organize the people," through which anarchism would operate in broad daylight to entrench itself in the workers' movement.

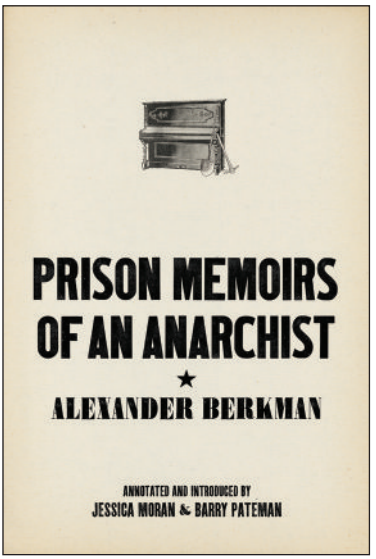
Prison Memoirs of an Anarchist

ALEXANDER BERKMAN; annotated and introduced by Jessica Moran & Barry Pateman

CO-PUBLISHED WITH THE KATE SHARPLEY LIBRARY

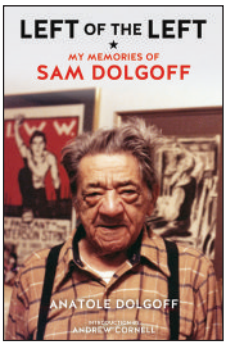
9781849352529 | 550 pp. | $24.00

E-BOOK ALSO AVAILABLE



"Alexander Berkman's book is vivid, candid, honest." —*New York Times*

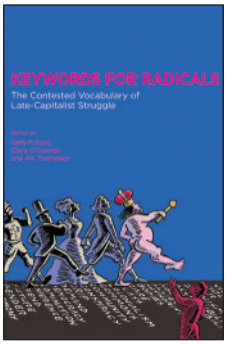
Alexander Berkman spent fourteen years in prison for the attempted assassination of Henry Clay Frick. Upon release, he wrote what became a classic of prison literature, and a testament to human courage in the face of oppression. This annotated edition is the definitive version of Berkman's tale of his transformation within prison, his growing sympathy for those he'd considered social parasites, and the intimate relationships he developed with them. Also includes newly published images and the complete transcription of the diary Berkman kept while he wrote this book.



Left of the Left

My Memories of Sam Dolgoff
ANATOLE DOLGOFF
9781849352482 | 390 pp. | $22.00 | e-book also available

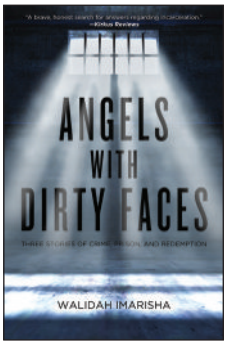
This is the story of Sam Dolgoff, house painter by trade, member of the IWW, and at the center of American anarchism for seventy years. Written with passion and humor by his son, it conjures images of the past power of immigrant and working-class neighborhoods and the blurred lines dividing proletarian and intellectual culture.



Keywords for Radicals

The Contested Vocabulary of Late-Capitalist Struggle
Edited by KELLY FRITSCH, CLARE O'CONNOR, & AK THOMPSON
9781849352420 | 567 pp. | $22.95 | e-book also available

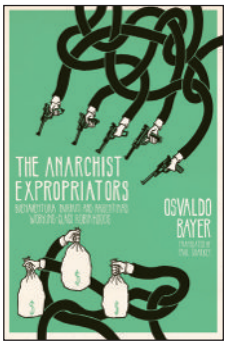
Keywords for Radicals explores the words that shape our political landscape. Each entry highlights a term's contested variations, traces its evolving usage, and speculates about what its historical mutations can tell us. More than a glossary, this is a crucial study of the power of language and the social contradictions hidden within it.



Angels with Dirty Faces

Three Stories of Crime, Prison, and Redemption
WALIDAH IMARISHA
co-published with the institute for anarchist studies
9781849351744 | 244 pp. | $16.00 | e-book also available

No romanticized tale of crime and punishment, *Angels with Dirty Faces* doesn't flinch as it introduces us to the difficulties and contradictions of people causing, and experiencing, actual harm—sometimes horrific violence. The result is a nuanced and deeply personal look at lives caught within, and often destroyed by, our criminal justice system.

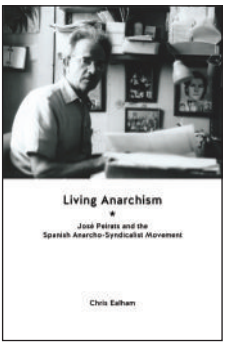


The Anarchist Expropriators

Buenaventura Durruti and Argentina's Working-Class Robin Hoods
OSVALDO BAYER; translated by Paul Sharkey
co-published with the kate sharpley library
9781849352239 | 150 pp. | $12.00 | e-book also available

In early-twentieth-century Argentina, anarchist expropriators employed direct, violent means to bankroll the production of books and newspapers; to help spring their comrades from prison; and to support the families of those behind bars or in early graves. This is the story of "crimes" committed in the name of revolutionary justice.

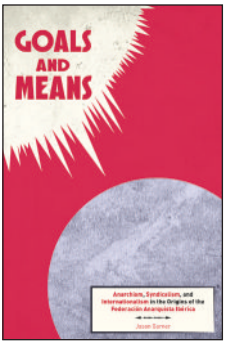
Living Anarchism



José Peirats and the Spanish Anarcho-Syndicalist Movement
CHRIS EALHAM
9781849352383 | 316 pp. | $20.00 | e-book also available

A study of one man and a collective biography of the militant working class into which he was born. The story of José Peirats shows the human foundations of Spanish anarchism, the ties of friendship and community that cemented the largest anti-authoritarian movement in the world.

Goals and Means



Anarchism, Syndicalism, and Internationalism in the Origins of the Federación Anarquista Ibérica
JASON GARNER
9781849352253 | 372 pp. | $19.00 | e-book also available

Goals and Means investigates the relationship between revolutionary syndicalism and anarchism in Spain from the founding of the CNT in 1910 to the Second Republic in 1931. This history, the development of anarcho-syndicalism, and the tensions it spawned within the larger socialist movement have plenty to teach us today.

Octavia's Brood

Science Fiction Stories from Social Justice Movements
Edited by ADRIENNE MAREE BROWN & WALIDAH IMARISHA
co-published with the institute for anarchist studies
9781849352093 | 296 pp. | $18.00 | e-book also available

Imagining a world without war, without prisons, without capitalism is a form of speculative fiction. Organizers and activists envision, and try to create, such worlds all the time. *Octavia's Brood* brings twenty of them together in the first anthology of short stories to explore the connections between radical speculative fiction and movements for social change.

9781849352802 | 103 pp. | $11.00
